The purpose of the open forum – one of six open forums planned as a part of a systemwide listening tour – is to gather feedback from stakeholders and interested parties as the trustees search for the university's next chancellor. This information will help guide the recruitment activities over the next several months.

The open forum will also be livestreamed on the [Chancellor's recruitment website](#). The website will provide information about the search, including a place for people to submit feedback regarding the next chancellor directly to the committees.
